

# Land and Identity

## A one-day interdisciplinary symposium

Saturday 16 May 2009 – University of Derby

**Keynote speakers:** Professor Stephen Daniels (University of Nottingham)  
Professor Donna Landry (University of Kent)

The symposium will gather academic researchers, artists, writers, and other creative practitioners whose work investigates the complex issues surrounding contemporary cultural discourses on land and identity – their production, construction, and reconstruction.

For the complete call for papers and registration details see
